Position Summary

The Kern Mosquito and Vector Control District is seeking a Seasonal Grounds and Custodial Worker to support facility maintenance and mosquito control operations. Under the direction of the Superintendent and Assistant Superintendent, this temporary seasonal position is responsible for maintaining District facilities and grounds, performing custodial services, and assisting with field mosquito control activities throughout the District's service area.

This position requires independent work, sound judgment, and the ability to perform both indoor custodial duties and outdoor field work. Employees regularly operate District vehicles and work in a variety of environmental conditions.

Key Responsibilities

- Clean and sanitize offices, restrooms, and common areas.
- Maintain District grounds, including litter removal, basic landscaping, and outdoor upkeep.
- Restock janitorial supplies and report maintenance or safety concerns.
- Perform light maintenance tasks and assist with facility organization.
- Support mosquito control operations, including inspections and treatment activities.
- Apply pesticides in compliance with regulations and District policies (training provided).
- Maintain accurate records and attend required safety trainings.
- Operate District vehicles safely while traveling throughout the service area.

Minimum Qualifications

- High school diploma or equivalent.
- Valid California Class C Driver's License with acceptable driving record.
- Ability to perform physical outdoor work and lift heavy equipment.
- Ability to work independently and follow safety procedures.

Employment is contingent upon successful completion of a pre-employment physical examination and drug screening.

Work Environment

Work is performed indoors and outdoors and may involve exposure to heat, weather conditions, pesticides, insects, and uneven terrain. Required personal protective equipment (PPE) is provided.

Position Details

- Temporary, seasonal, non-exempt position
- Combination of custodial, grounds, and field operations work
- Training provided

The District is an Equal Opportunity Employer.
